# Funeral Consumers Alliance of Champaign County
## Funeral Home Price Survey (June 2026)

FTC regulations require that a funeral home give you a General Price List (GPL) upon request. A basic services fee is always required, but you may choose the other services that you want a la carte. The least costly options are direct cremation or immediate burial. Caskets and vaults are priced separately. You do not have to purchase these from the funeral home. They are required to accept a casket that you provide (purchased online or elsewhere, homemade, or made of eco-friendly materials).

**Direct cremation** (without ceremony) includes: basic services of funeral director and staff; a proportionate share of overhead costs; removal of remains; use of alternative container such as fiberboard, cardboard or unfinished wood box; transportation to crematory; necessary authorizations and cremation. There is an additional fee ($100) for an IL cremation permit.

**Immediate burial** (without ceremony) includes: basic services of funeral director and staff; a proportionate share of overhead costs; removal of remains; and local transportation to cemetery. The cost of a casket is not included.

**Full service funeral** package includes: basic services of funeral director and staff; a proportionate share of overhead costs; removal of remains; embalming & other prep; visitation; funeral ceremony; transportation to cemetery. The cost of a casket is not included.

| | Location | Phone (all are area code 217) | Direct Cremation | Immediate Burial | Full Service Funeral |
